Dear Lions friend,

It is my great pleasure to invite you to our Autumn National Convention, which will be the second edition for our district.

The Convention will be held in Sighisoara, 12-15 November 2015.

We wish to organize this Convention with the template of European Forum, with a lot of workshops, but also, to mark 25 years of Romanian Lionism.

This will be a great opportunity for our districts to re activate the twinning.

Please let us know the formation of your delegation in order to make the needed reservations and to send you all the details you need.

You will definitely have a few minutes for a speech during the plenary of the Convention. Also, we will organize a session in which we can plan future projects and other collaboration between our districts.

I look forward for your response.

Sincerely,

Istvan David
